

Boat Lift Boss Upgrade Procedure:

The Boat Lift Boss Upgrade Procedure is in place to expedite the service and repair for out-of-warranty Boat Lift Boss units. All services could carry a 2-4 week lead-time. Customers are responsible for freight costs incurred shipping the unit to Extreme Max. Extreme Max will return the repaired unit free of charge - shipped in the U.S.

The following items are required for repair/service processing:

- Boat Lift Boss Upgrade Program Form
- Boat Lift Boss Unit needing service
- Please include your keys and remote if applicable when sending your unit for service.

Forms are to be placed in the same box as the Boat Lift Boss unit being shipped. Forms not properly filled out or missing may cause the unit to be issued as "return to sender" or a \$50 charge may be assessed for processing any incomplete or missing forms. All forms must contain a detailed description of the issue needing service.

General service/repair costs are included in the attached Upgrade Program Form.

Note: Do not send payment Extreme Max will call for credit card information.

For the quickest response to questions on this procedure, warranty claims or unit updates, please contact **boatliftboss@extrememax.com**.
